Seeking a job on my career path where I can utilize my education, develop new skills, and gain experience in the field of my studies. I genuinely enjoy the opportunity to apply logic and problem solving skills in overcoming the various obstacles that present themselves in professional environment.

EXPERIENCE

Household Management, Layton — *Whipper of Children, Person of Putting Foot Down*

December 2015 - PRESENT

Daytime Nanny. Develop conflict resolution from working with kids. Patience. Determination. Adaptable to the changing needs of everyday life.

EDUCATION

Layton High School, Layton — *High School Diploma*

August 2011 - May 2014

Completed all but a small portion of credits at Layton High; received diploma and graduation after picking up a couple extra credits at Davis Adult High School.

Trilogy via University of Utah, Sandy — *The University of Utah Web Coding Bootcamp Certificate*

September 2017 - March 2018

Design and implementation both could be what sets you apart from other developers. A 24-week Full-stack Flex course was designed to give the skills needed to become a full-stack developer and gives the skills to build dynamic end-to-end web applications.
